IMPORTANT

information

TRAVEL & FEES

All packages include travel to and from your location within a 20-mile radius of the Falkirk area, with an additional charge of £20/hour for distances beyond this. For venues outside this range, please enquire at the time of booking to receive an exact quote. If accommodation is required the night before the wedding, this will be discussed during the booking process. The travel fee covers both fuel expenses and travel time, and makeup services are provided at a single location.

The out-of-studio fee is included in the package and covers the booking process, kit packing and setup at the location.

DEPOSIT & PAYMENT

All wedding day bookings require a minimum of 4 people and a maximum of 7, including the bride. If the number of services decreases, the minimum booking fee will still apply. A non-refundable and non-transferable booking fee of £100 is required to secure your date; without this deposit, the date will not be confirmed. This deposit will be deducted from your final payment. Payments can be made by bank transfer, and an invoice will be sent via email. The remaining balance is due no later than one week prior to the wedding date.

TRIALS

Trials are recommended to be booked no later than 5 weeks before the wedding date. They are held at the studio in Bo'ness, with limited availability on Saturdays due to wedding commitments. If you would like to request a weekend slot, please do so as early as possible. If you're unable to attend an in-person trial, a 30-minute consultation call can be arranged.

Testimonials

I had Andreea do my bridal makeup and bridal party as well, she came on time, did not rush us in the slightest and managed to do 5 of us so smoothly. Our makeups were literally flawless! She was so kind and calm with us all and even gave us a pamper with under eye masks and a full face mask while our eyes were being done. She even stayed for us getting dressed to do touch ups and added body glitter to myself just finishing of the look perfectly. Could not recommend someone better!

Testimonials

Andrea was the make up artist at my wedding recently (July 2021) and I would definitely recommend her / use her again! She did my make up, as well as my mums and 3 bridesmaids. She was professional throughout, arrived on time and had lots of time left for touch ups. She gave advice and guidance on what make up would last longer and what would show up nice on photos. She was really friendly and made me feel so at ease/calm!
